

## **Waupun Community Development Authority Downtown Revitalization Grant**

### **PURPOSE**

- Stimulate private investment in high-quality building facade improvements that contribute to the overall strength of downtown as a shopping and dining destination
- Grow the tax base within Tax Increment District 3
- Attract and retain more small retail, restaurant, high density office, and destination locations to our downtown

The Downtown Revitalization Grant Program is available to property owners and businesses within the City of Waupun's Tax Increment District 3 (TID 3). As a matching grant program, the CDA will reimburse the grantee for up to 50% of expenses, with a maximum award of \$5,000. Additional grant funding equal to 5% of grant amount will be provided if a local registered contractor is used. The CDA reserves the right under this program to exceed the maximum grant amount on a case-by-case basis. Applicants are eligible for only one grant award per assessed property every two years, unless otherwise approved by the CDA. Exception will be granted to multiple business entities located on a single tax parcel. The Downtown Revitalization Grant Program may be used in conjunction with the Business Improvement District's Façade Improvement Program.

### **APPLICANT ELIGIBILITY**

- The property must be located within TID 3 boundaries, see attached map
- Property owners and tenants are eligible to apply; joint applications are encouraged

- Properties zoned residential are not eligible
- Tax exempt properties are not eligible
- Properties will not be eligible if any special assessments, real estate or personal property taxes, utility bills, or other city charges are delinquent
- Applicants located within the Business Improvement District (BID) must first apply to the BID through their Façade Improvement Program. If a BID grant is awarded, the CDA will consider the portion of the application not covered by the BID award. In this case the CDA would reimburse the grantee for up to 50% of the remaining expenses, with a maximum award of \$5,000.
